ART STUDIO

A place for creative people and those who wish to inspire young talented children and youth to explore their creative potentials. It is also a garden where people interested in universal values, peace and questions of enlightened social order will meet in order to forge a platform for creating social events and actions. It is particularly meant as a place of activities for the "family" of Ånun Lund Rej Memorial Foundation.

Place: Juvikoksen, Vik i Sogn, Norway

The creators of the garden: Ragne Birte Lund and Anup Rej
